I just wanted to let y'all know that I have not heard back from Mr. Rousseau since November. I have reached out to him a number of times, but radio silence on his end. I do not represent him outside of the deposition, and was only doing him a favor by continuing to reach out to him regarding the discord documents.

Best of luck with your case,

Thanks, Brent. As stated in our correspondence of today's date, we expect Mr. Rousseau to fully comply with his discovery obligations by December 17th.

Further, as noted in our prior emails, the Discord authorization forms must come from the email account associated with the Discord handles. Should you have additional questions on the process, we suggest contacting Ken Kim per our email of November 4th.

Best,

Dan

Yes, I spoke to him last week and he's all ready to send the phone and such. I'll send you the discord doc this afternoon.

Brent,

We're once again following up on the below. It has been nearly one month since you indicated that you would reach out to your client. Please let us know when Mr. Rousseau will submit all of the requisite authorizations, as well as all of his electronic devices to the third-party discovery vendor. We further reiterate our reservation of all rights to seek relief from the Court.

Thanks,

Dan

Subject: Thomas Ryan Rousseau - Discord Authorization

Brent,

As discussed at Mr. Rousseau's deposition last week, Mr. Rousseau is required to complete the attached Discord authorization for each of his Discord handles (i.e., Thomas Ryan (Discord ID: 255039575758602240; Thomas Ryan (Discord ID: 363070228864696330); and Commander#770). Once they are complete, please ensure that they are submitted from whichever of Mr. Rousseau's email accounts is associated with that particular handle. Otherwise, Discord will reject the authorization.

We will also be following up shortly with instructions for sending Mr. Rousseau's electronic devices to the vendor for imaging, etc.

Please let me know if you have any questions.

Thanks,

Dan
